Reduce purchasing costs, inventory investment and up to 60% in production costs

Pre-mount these clamps on a harness or complete the tying job when you're ready to mount the wire bundle. The TY-RAP clamping tie is infinitely adjustable within its own range — 1/16" to 3 1/2" dia. TY-RAP clamps replace over 76 other plastic and metal clamping devices. You can save money and gain convenience just about anywhere with TY-RAP clamps and ties.

SP6/68-1

I am interested in reducing my costs with the TY-RAP clamping tie.
Please contact me,

I have an ☐ immediate application ☐ future application.
